# All Are Welcome

# Come As You Are

## Come As You Are

Faint of heart, weak in spirit, short  
of breath, need a friend?

Now's the time to make a move,  
come to heal, come to mend.

COME AS YOU ARE, YOU ARE  
WELCOME HERE.

COME AS YOU ARE, THERE'S  
NOTHING TO FEAR.

Start your journey from near or  
far. We all need hope, so come as  
you are, come as you are.

Time for peace, day by day, on a  
path, on our way.

Ears to listen to what you say,  
helping hands to guide your way.

Come as you are, you are welcomed  
here. Come as you are,  
there's nothing to fear.

Start your journey from near or  
far. We all need help so come...

Come as you are. Come as you are!

*Words by Marty & Jules Rotella*

## Simply say “yes” to His invitation

Consider how much God loves you.  
Ask God to bring you closer, to  
experience His love and to behold  
His beauty today. Regardless of your  
current spiritual health, Malvern  
Retreat House, St. Joseph's-in-the-  
Hills invites you to encounter God's  
love on a personal level. God has a  
plan for your life.
